Day 1: Tuesday, September 7

Included Meals: On your own today

Upon arrival in **Dearborn, MI** you will have a tour and dinner at the **Edsel and Eleanor Ford House**. The Fords built their home as a place where they could integrate their family's activities and interests with global business responsibilities and concern for the local community. The home, its contents and grounds, along with the legacy left by the Fords, all reflect the important role that design excellence played in the family's lives.

Day 2: Wednesday, September 8

Included Meal: Breakfast

Greenfield Village takes you back to the sights, sounds and sensations of America's past. There are 83 authentic, historic structures, from **Noah Webster's** home, where he wrote the first American dictionary, to **Thomas Edison's Menlo Park** laboratory and to the courthouse where **Abraham Lincoln** practiced law. **Greenfield Village** is a celebration of people whose unbridled optimism came to define modern-day America. **Henry Ford Museum** began as a simple yet bold idea to document the genius of ordinary people by recognizing and preserving the objects they used in the course of their everyday lives. It grew into the ultimate place to explore what Americans past and present have imagined and invented. The museum is a remarkable destination that brings American ideas and innovations to life. Next, enjoy a guided tour of the **Henry Ford Estate**, an exciting and distinctive **National Historic Landmark**. A stately self-contained enclave of privacy and natural beauty, tucked away on 1300 acres of rambling **Dearborn** farmland. **Fair Lane** stands today as a true reflection of **Henry and Clara Ford's** interests and ideals.

Day 3: Thursday, September 9
